#### HOW OUR CLUB WORKS

We select your club bottles to match what you've told us you like. You'll be notified by email so you know when to expect the wines to be ready. Whether you pick them up or we ship them, you have the opportunity to add to the allocation by calling us. We'll be happy to pack up extra wine for you. And, if your tastes or needs change, just let us know. We'll work with you on adjusting your overall club program.

Signing up for club membership is free, however your first allocation will be charged upon joining the club. If you're joining at our Tasting Room (4<sup>th</sup> Street Cellars) you're welcome to take your wines with you right away, or we can ship them for you. We offer special new club shipping at a flat rate of \$10 for any level of club membership!

By placing any order for shipment, you represent that you are at least 21 years old and that there will be someone at your shipping address who can sign for the shipment who is also 21 years of age or older. Members are free to cancel anytime after accepting the third shipment/allocation. Club allocations not picked up after 60 days are subject to substitution and may be shipped to you at your expense.

Clubs are shipped out quarterly, typically in March, June, September and December, but may be delayed due to extreme weather conditions. At this time, current shipping laws allow us to ship to the following states:

AL AK CA FL IA IL LA MD NV NH  
NM ND OH OR VA DC WV WY

*This is list may chang without notice.  
Ask us if we can ship to your state.*
